About outlook India

Outlook India is news sharing website that shows all the top-notch news of India related to different categories

Areas of Responsibility

The website was built in 5 days and it was an individual project. Every part of the original website was tried covered. Along with this, some extra features like a dark mode theme are added.

Features

- Shows bulk of news with different categories of news.
- Searching for news around the world.

Tech-Stack

REACT | REACT-ROUTER-DOM | CHAKRA UI | REACT-ICON | JSON-SERVER

Everhour - website clone
